

Spokane Jazz Society

Thanks to the support of jazz fans like you, the Spokane Jazz Society and SJO bring great jazz to the Inland Northwest for the 33rd straight year. So help us keep the music alive!

Enjoy a discount up front for all the shows with your purchase of season tickets and remember to introduce SJO to all your friends.

On that note, if you are not yet a member of Spokane Jazz Society, please consider joining this year. Benefits of membership include a subscription to Jazz Notes, discounts on CDs, merchandise and advance notice for local jazz performances and special events.

As with ballet, theater, symphony and chamber music, jazz music also needs the committed support of its fans. As SJS grows, so do the opportunities for great jazz listening in the inland northwest.
